## **FORAGED EXPERIENCES // mix + match**

### **walk // 3 hours**

£400

Participants explore their local area and garden for wild plants, discovering their traditional and modern uses. Includes edible, medicinal and boozy tasters.

### **workshop // 2 hours**

£500

Inspired by local flora, workshops participants create, and take home, their own remedies and recipes. Themes include wellness + self-care; body + beauty; edibles + nibbles; herbal nootropics or aphrodisiacs.

### **wassailing // 2 hours**

£500

Round up the day with an ethnobotanical cocktail making session. Participants make and drink 2 herbal inspired cocktails and create their own tonic syrup. Alcohol-free options available.

### **mix + match**

2 options combined = £750

3 options combined = £1,000

Prices based on maximum 15 people.

Additional charges for extra participants.
